

Forest Management and Birds

**Forestry Practices to promote resilient
habitat for wildlife**

Join us for a morning of birding with wildlife biologist David King and discuss wildlife habitat issues and forest management opportunities for your land.

When: Thursday June 16

Time: 7:30 am— 10:30am

Where: Wendell State Forest at Wickett Pond

Space is limited, RSVP to Fletcher Clark 413-262-2367 or email at fletcher.clark@state.ma.us
